Comment. The volume of outgoing shipments from the GST ammunition depots Toepchin and Pfaffendorf in September 1955 was only slightly above that of August 1955. The volume of supply shipments from the USSR decreased considerably during the last few months. Compared to a total of 7,000 tons in 1954, the volume of incoming shipments at Toepchin included only 750 tons during the first six months of 1955.
